## The Quaid Said:

My young friends, I look forward to you as the real makers of Pakistan, do not be exploited and do not be misled. Create amongst yourselves complete unity and solidarity. Set an example of what youth can do. Your main occupation should be in fairness to yourself, to your parents, in fairness to the State, to devote your attention to your studies. If you fritter away your energies now, you will always regret.

## Message of the Principal

Dear Students, Learning is a continuous process from the minute we are born ,until we die” Having successfully crossed the various hurdles encountered on the way of its growth, Govt. Associate College (W)Kot Samaba college has grown in stature & strength today. In a world where every thing is measured by the gard stick of success, we train our students to think logically, systematically & analytically, so that having faced the emerging economic social, political & cultural changes arising from globalization, they may move towards their goals with focused vision.
